39002

Tyre use conditions
applicable to vehicle **2B**
(See note 12)

NOTIFIABLE ALTERATIONS (Section 51 (1) (d) of the Road Traffic Act 1988)
The following alterations in the vehicle or the equipment must be notified to the Secretary of State. (See notes 9 to 11)
(a) an alteration made in the structure or fixed equipment of the vehicle which varies the carrying capacity or towing capacity of the vehicle;
(b) an alteration, affecting any part of a braking system or the steering system with which the vehicle is equipped or of the means of operation of that system; or
(c) any other alteration made in the structure or fixed equipment of the vehicle which renders or is likely to render the vehicle unsafe to travel on roads at any weight equal to any plated weight shown in columns (2) of the plating certificate.

Vehicle Testing Station No.	H00029	Date of Issue	22	10	13
-----------------------------------	---------------	---------------------	-----------	-----------	-----------

Signature

The plated weights and other plated particulars specified in this plating certificate are those determined for the vehicle concerned under Sections 49, 57 & 58 of the Road Traffic Act 1988 and the Regulations made under these Sections
N.B. All Weights in Kilograms-All Dimensions in Millimetres
